

***HAVLISH* PLAINTIFFS' RENEWED MOTION
FOR AN ORDER CREATING A COMMON BENEFIT FUND AND
AUTHORIZING CERTAIN DISBURSEMENTS THEREFROM**

EXHIBIT 3

Original Liability Judgments:

Date	Lead Plaintiff	Case Number	MDL Document
12/22/11	Havlish	03-CV-9848	2516
08/31/15	Ashton	02-CV-6977	3021
	Burlingame	02-CV-7230	*not found
	Bauer	02-CV-7236	*not found
08/31/15	O'Neill	04-CV-1076	3022
01/31/17	Burnett	15-CV-9903	3443

*The subsequent judgments for damages in Burlingame and Bauer reference a default judgment against Iran entered on 08/26/15 but there is no such document in the MDL docket. This is probably a typo as the subsequent judgments for damages in Ashton also reference 08/26/15 when, in fact, the liability default judgment in Ashton was entered on 08/31/15. The individual dockets for the 02-CV-7230 and 02-CV-7236 do not show the entry of a liability default judgment. Regardless, it is apparent that Burlingame and Bauer relied upon the Ashton liability default judgment which, in turn, relied upon the Havlish judgment.
